

Good morning,

In order for us to start an action plan following the Government's announcement last night, could any of the following parents/carers contact school by 12 o'clock today if you believe you fall into one of the following categories and wish to take up the offer of a potential school place during this closure period:

1. If you are a key worker.
2. If your child has an EHCP.

Please contact your Headteacher via email. If you are unable to email please telephone the school office with this information.

We appreciate this is a really uncertain time for families and further information will be provided as soon as we receive further information from the government.

St Mary's Academy Trust proactively supports the work-life balance of staff and as such we encourage staff to respond to emails within working hours. Emails received after 4.00pm may not be read before the start of the next working day.
